

Ypsilanti City Council voted Sept. 19 and agreed:

# WATER STREET

*WILL BE*

# SOLED

to international investors as a  
precondition for buying **EB-5 visas**

# FOR \$30,000

**one fifth** of the median home value in Ypsilanti

privatizing **30+ acres** of public land in Ward 1 without public support, while city council quietly pursues a development agreement and **stalls an ethics investigation into the mayor** and other public officials for allegedly taking developer funds to go to China...
